00:04:25 Caroline Knight: hey! I'm in the land of the Inkas in Peru! :) originally from the uk via many other places 💙

00:04:49 Ntathu Allen (She/Her): my fav picture

00:07:54 RaeRae (she/they) Splatsin + Secwepemc Land: Hi all! So happy to be here today <3 I'm a holistic nutrition + yoga student in Secwepemc + Splatsin territory, BC <3 @_raemak

00:08:14 Tory Howell (she/her): Hey y'all! I'm Tory. I am a harm reductionist and I also build websites for justice-centered folks You can find me on instagram at @yucca_tory. I'm so grateful to share this virtual space with you 💜

00:09:05 Caroline Knight she her: I'm a body love / liberation coach : @yourbodyisyourfreedom 💙

00:10:00 cv harquail (she/elle): Why: To have enough resources/ a strong enough foundation that I can make choices that don't presume or depend on exploiting anyone else or another's business

00:10:56 Lauren Elizabeth [She,Her]: Hey yall. Lauren here.

My why is connected to my own mom and here incredible dedication to caring for me and the rest of our family. . She has worked for 40 years in jobs she didnt' love, for not enough money, and she's spent so many of those years unfulfilled and in fear of not having enough.

I'm want to make money so I can break that cycle, and so I can help release her from the fear of not having enough to survive.

00:11:13 Shirley Weir: I am here because I have a money block when it comes to asking. My dream is that women have all the resources (informational & financial) to live their healthiest midlives & beyond. Midlife women are holding up the world. And

when we hold them up, our families thrive, our workplaces thrive, our communities thrive.

00:12:01 Allison Staiger (she/her): "small" why: I want to know that my daughter, parents, friends and I are always safe and cared for. broader why: to pour resources into overlooked and undervalued places and groups so that they don't have to fight to be taken seriously or heard, and can have autonomy.

00:12:28 RaeRae (she/they) Splatsin + Secwepemc Land: I want to create a business that is regenerative and doesn't take from the planet or other cultures and empowers others to create the life that they want.

00:12:49 @caryngillen | she/her: That they can fuel each other.

00:13:03 Caroline Knight she/her: I want to be able to do my sacred work in the world without diverting energy towards stressing about not having an income - so that I can show up fully and boldly and work towards supporting my work in liberating humanity from oppressive systems

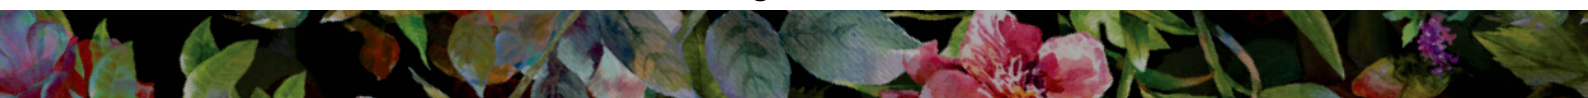

00:13:39 Caitlin Christiana: WHY: sovereignty, freedom, authenticity, integrity, self-expression, alignment with Spirit, Soul-inspired vibrancy, moving from surviving into thriving, harmony, connection, enoughness 💜✨

00:14:11 Trevia (TREE-va) she/her: I dream of having enough resources to keep money flowing in my community where everyone is cared for while doing work that doesn't deplete my life force to survive.

00:14:41 Maggie she/her: I'm already tearing up at these stories - it's been 15 minutes! Women are amazing.

00:14:52 Allie M: Want to change my ancestral pattern of poor working women who also work "2nd shift" being the primary homemakers/carers doing reproductive labor, and not ever earning enough to feel confident living without a man throughout their lifecycle. I want to care for myself, my mom as she ages, and my child-less relatives, and still uplift my community financially as needed.

00:14:55 cv harquail (she/elle): ^^.

00:14:58 Caitlin Christiana: I'm so excited CV Harquail is here! So much badass feminist power in this room! *squeeee* 😊

00:15:13 Caroline Knight she her: I feel like there is "something wrong with me" for not having nailed the money / income thing.

00:15:18 Gosia Kozlowska: I want to feel safer concerning my future, and the future of my family. And I want to earn so much money that I could use it to change the culture, and actually f*** patriarchy.

00:15:51 Hilary Martin: My dream for money and justice is to build a world where I, where we, don't need a co-sign from male power to do the things we want to do.

00:15:51 Tory Howell (she/her): I want to be a money generating and redistributing powerhouse. I want to be an example of how money can flow through me, around me, and within me abundantly. I dream redistribute unrestricted funds to amazing grassroots orgs doing justice work in my community. I'm tired of seeing volunteers and community members operating with little to no support or support that is very patriarchal.

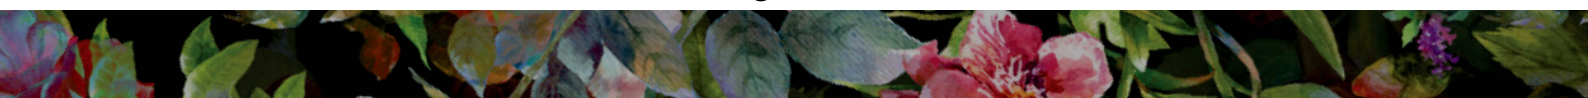

00:16:35 Lauren Elizabeth [She,Her]: Yess Tory!!!

00:16:52 Danielle Cohen (she/her): why: to have enough to easily, joyfully and fully take care of myself, my many children, and my mother and to thrive while doing it

and to help other forces for good to show up fully in their lives and businesses so they can bring their medicine to the world in a way that's generative and deeply pleasurable

00:16:58 Lauren Elizabeth [She,Her]: "Money generating and redistributing powerhouse"

00:17:02 Dana Smith (she/her): My why: to be a chain-breaker of exploitation and manipulation. If I can personally flourish, it allows my daughter to take this work further and so it ripples on.

00:17:26 Ntathu Allen (She/Her): Legacy, break the mould, build on the legacy of elders, my grandmother brought land in 1957 for £75 in Grenada, in her own name, to provide for her family, show it is possible for us to follow our path and provide for the family and others.

00:17:38 Trevia (TREE-va) she/her: "We can be trusted with money and resources" ~Kelly

00:17:43 Kalah She/Her: Yes! We can be trusted with money and resources. <3

00:17:44 Bronwyn Coyne she/her: In my immediate life: I'd like to make enough money to maintain my "middle class" lifestyle while allowing my husband to "retire" (aka not work) which is his dream and something that improves both of our lives.

In a larger sense I want to have a sense of abundance with my income that allows me to be generous with my money in my community without feeling scarcity or resentment.

00:17:47 Loretta G (she/her): I'm here because I want to be free from the shame, guilt and anxiety that I feel whenever I deal with money. I want to deeply believe I'm worthy of an abundance of wealth and live in that truth, and break the self-sabotaging habits of playing small... I want to be able to care for my loved ones... I want to have more access to power to fuck shit up. (shit = oppressive systems)

00:17:50 Danielle Cohen (she/her): And power

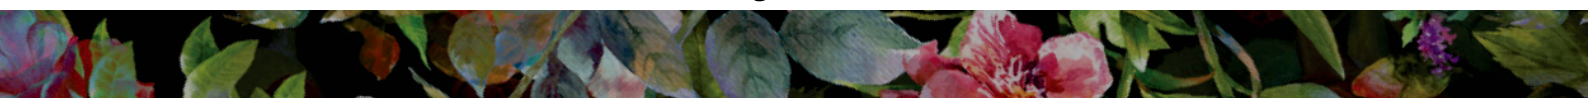

00:22:05 cv harquail (she/elle): Personally I want to DEMAND to see the BABIES the PUPPIES the VIEW OUT THE WINDOW the REAL LIFE

00:22:12 Caroline Knight she/her: the financially empowered woman, I think, Jaime

00:22:16 Elijah Selby (she/her): CV—Yes!!

00:22:22 Jaime K: Thanks Caroline!

00:22:45 Ixchel (ee-shell) She/We: It's me! lol

- 00:25:06 Caitlin Christiana: YESSSSS, that feeling that "there's something wrong with me" when really, it's just the experience being in opposition to injustice
- 00:25:35 Hilary Martin: One of the big lessons of solutions-focused coaching is that you don't have to deeply understand a 'problem' in order to find a solution and way forward
- 00:27:27 Beth Kruger: I so feel this. This is my why. I want my own damn money.
- 00:27:38 Tory Howell (she/her): Yes Beth!

- 00:32:05 Caitlin Christiana: Totally - I was looking at the email for this workshop, and I saw where it said "not gonna create a false sense of urgency" acting like I need to "act now" or I'd lose my spot - I respected that so much, I signed up IMMEDIATELY because I felt respected - sooo good 🙌
- 00:32:49 Lauren Elizabeth [She,Her]: Yes! Universal Accessibility! It's a real thing

- 00:42:26 Trevia (TREE-va) she/her: Thank you for the book rec, Hilary!
- 00:43:51 Linda Kelly (she/her): Yes! We own a rental house and my husband wants to sell it and get the money at the height of the market but. I'm insisting we keep it and keep the rent affordable for the family who is living there. I don't want to displace them and would like to sell it to them someday.
- 00:45:14 Ntathu Allen (She/Her): Look at the business model and business practices...I like that
- 00:45:49 Hilary Martin: Interface (a carpet company) is a model for this also.
- 00:49:40 Shannon Droeske: My brain literally exploded when I saw the payment plans online - so the people with access to money get a deal, the people with no access pay more...?!?

- 00:53:01 Elijah Selby (she/her): Something I like to point out is that when we offer payment plans, we often benefit as business owners because then we have predictable monthly income :)
- 00:53:19 Lauren Elizabeth [She,Her]: YESS Elijah! I LOOOOVVVEE Payment plans
- 00:53:49 Kate Turner: exactly - we also really benefit from working with a broader range of people
- 00:53:58 Gosia Kozlowska: Kelly, and what about cheaper price during a pre-launch? And the information that after a specific date the product or service is going to be more expensive? It is a mainstream strategy and I have doubts about it....
- 00:54:09 cv harquail (she/elle): Leveraging your Line Items is so critical!!!!
- 00:54:12 Jaime K: My spouse has a biz and we made sure to keep the payment plan costs the same, just divvied up, as a pay-in-full cost. Thanks to your work! You are the first person Ive ever seen/heard address it.
- 00:54:49 Kate Turner: what was the name of that teaching platform again?
- 00:54:58 Tory Howell (she/her): @Kate <https://www.heyMarvelous.com/>
- 00:55:12 Kate Turner: thank you @Tory

01:38:33 Ixchel (ee-shell) She/We: I created a Colophon: <https://ixchel.love/website-colophon/>

01:38:46 Allie M: Love a reparations discount for BIPOC customers (have also seen this suggested as rape culture reparations for women, i.e. men pay a premium), which I learned from photographer Substantia Jones.

01:39:00 Ixchel (ee-shell) She/We: My Colophon is the “why’s” behind me web design.

01:39:22 Ixchel (ee-shell) She/We: I also wrote a anti-racism in coaching statement: <https://ixchel.love/anti-racism-statement/>

KELLY DIELS

01:39:42 Lauren Elizabeth [She,Her]: I schedule significant time off for myself every quarter to recharge. I can pour into my people if I'm empty/exhausted

01:40:15 Allie M: I also donate past-season product (still high quality and beautiful) to assisted living homes for elder women, rather than doing clearance discounts.

01:40:16 Lauren Elizabeth [She,Her]: and by significant, I mean 1-2 full weeks

01:41:53 @caryngillen | she/her: That was a one sentence revolution.

01:42:08 Trevia (TREE-va) she/her: THIS!

01:43:04 Sarah • she/her: This was so nourishing!!

01:43:46 Loretta G (she/her): +I Jaime

01:44:05 Allie M: @Jaime this is something that my state, Connecticut, now will be requiring by law. I'm also seeing LinkedIn testing it out as a feature.

01:44:19 Jaime K: wow thats great to know Allie!

01:45:33 Ixchel (ee-shell) She/We: In LinkedIn app there's a feedback button to ask for salary info if the job listing doesn't share it. Click those buttons! :)

01:45:49 Loretta G (she/her): I can ask this in the gathering space - but i'm curious if there's anyone y'all would recommend for looking into embodiment and energy work around money trauma?

01:46:01 Maura Madden (she/her): Since it is the topic of this workshop I also want to share my blog on feminisim and finance. <https://mauramadden.com/blog/>

01:46:13 Trevia (TREE-va) she/her: Thank you Maura!
